

Spring 2005 Capital Only Allocations

IMPORTANT: Your group must receive ASA recognition by the end of the Spring Funding period (June 20, 2005) to have these purchases reimbursed
 The GSC is exploring the purchase of equipment (including a portable grill, lapel mics, digital voice recorders and a thermal poster printer) designated specifically for student group use.
 Other equipment is already available for rental. This includes a karaoke system, digital video camera, wireless mic system and an audio loudspeaker system with mixing board.
 This equipment can be found at <http://web.mit.edu/gsc/www/funding/group/fbequipment.shtml>
